

The Iron Man Chapter 4

“Please,” he asked, “please can’t you think of something of getting rid of it? If you can’t, then it’s the end of all.” (Ch. 4)

At the end of Chapter 4, Hogarth asks the Iron Man to help save the world from the space-bat-angel-dragon.

Task: Can you come up with ideas as to why the Iron Man should help? Then think of reasons why the Iron Man should not help.
