Oxford Owl Reading has free eBooks for the different book bands that we use in school. You can access a selection of books on here for free.

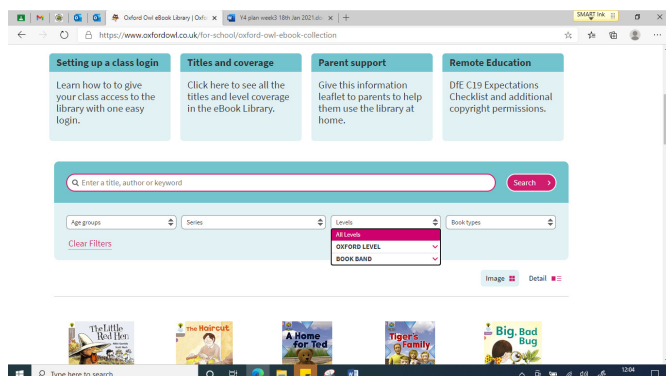

1. Create an account/log in as a parent
2. You will be sent an email – click the link in the email to confirm
3. Click on eBooks

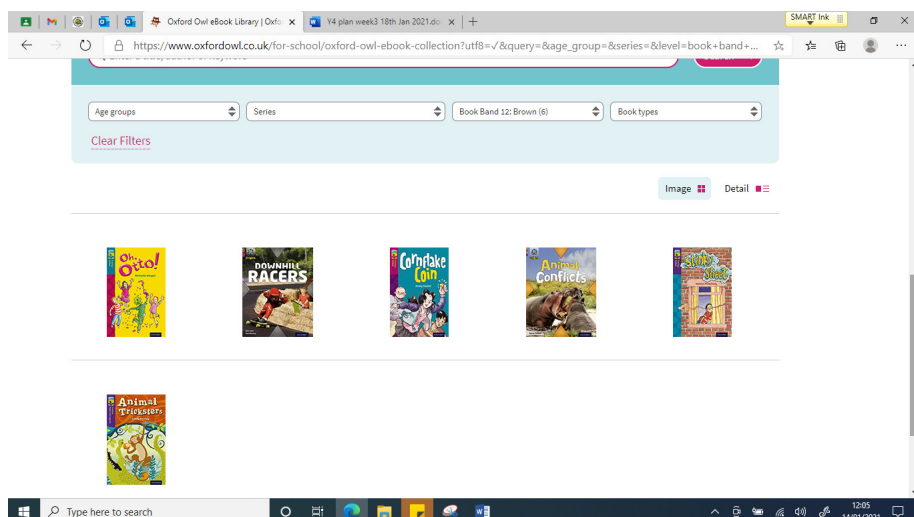

4. Click on 'Oxford Owl eBook library'

5. In the drop down menu for levels, make sure you select 'book bands' (the Oxford levels are in a slightly different order.)

6. Select your child's book band level (the children should all know what they're on but please email the class teacher if you are unsure) and the free eBooks show.

7. Click on the book and it brings up the eBook (which the children can read and there's an audio option too)

There's only a selection of books in each book band at the moment but this could increase.

Your child can also read other books that they have at home. Any reading counts – whether it is from a book at home, a magazine or a book banded book.
