

Year 4 Home Learning Week 2

Each day, we would like you to complete at least one of the Maths lessons, one of the English lessons and one of the topic lessons. The resources you will need are all included and any worksheets provided are marked in red on the information below.

There are also some additional tasks or wider curriculum areas if you choose to do these too. We've added a new section below about Google Classroom to have a go at too.

Subject	What you need to do	What we want to see
Google classroom	Last week we emailed your parents your log in details for your own email address to access our google classroom. 1. Make sure you've logged onto your email address and accepted the email invite from S.Lile (use the 9 dot icon to go between the Gmail and classroom app) 2. Watch the 'how to videos' using the link below and start becoming familiar with where things are (order to watch in: 1) How to navigate G suite for education, 2) How to find classroom and classwork, 3) How to submit work - add a comment, 4) How to submit work - Docs file, 5) How to submit work – attach a file) https://chuter-edc.primarysite.media/playlist/how-to-use-g-suite-for-education 3. Complete the short 'assignment' tasks set	We will be able to see when you've completed an 'assignment' task and we will see any comments sent to us. Make sure when you've completed an assignment that you click the green 'mark as done' button.
Maths	This week we are going to continue learning about addition and subtraction. For each of the following interactive lessons: • Complete the pre-learning quiz to recap your prior learning (apart from lesson 1) • Watch the video with the new learning content. Pause the video at the relevant points and complete the interactive activity on a piece of paper. • Complete the post learning quiz and let us know your score via email.	
	Lesson 1 - Monday 11th January https://classroom.thenational.academy/lessons/adding-two-3-digit-numbers-without-regrouping-c4uk8r	Watch the video and complete the interactive activities on paper. Email a photograph of your work to your class email below. Complete the worksheet: • Adding 3-digit numbers
	Lesson 2 - Tuesday 12th January https://classroom.thenational.academy/lessons/subtracting-two-3-digit-numbers-without-regrouping-60r3cc	Watch the video and complete the interactive activities on paper. Email a photograph of your work to your class email below. Complete the worksheet: • Subtracting 3-digit numbers
	Lesson 3 - Wednesday 13th January https://classroom.thenational.academy/lessons/applying-rounding-for-estimating-adding-65j62r	Watch the video and complete the interactive activities on paper. Email a photograph of your work to your class email below.
	Lesson 4 - Thursday 14th January https://classroom.thenational.academy/lessons/applying-rounding-for-estimating-subtracting-64w34c	Watch the video and complete the interactive activities on paper. Email a photograph of your work to your class email below. Complete the worksheet: • Estimating Answers

	Additional Tasks/Friday 15th January Keep logging onto Times Table Rock Stars. Try to log onto this at least twice during the week. www.ttrockstars.com Try the speedy times table sheets that we emailed to your parents in December /are on the Y4 home learning website link.	www.ttrockstars.com Speedy times table sheets
English	This week we are going to have a look at developing our comprehension skills as well as having a look at some SPAG and spelling work. For each of the following interactive lessons, watch the video with the new learning content. Pause the video at the relevant points and complete the interactive activities on a piece of paper	
	Lesson 1 – Comprehension - Monday 11th January Think about the different comprehension skills you learnt about last week. Use these to answer the guided reading questions about beaches.	<i>Answer the guided reading questions in full sentences. Email a photograph of your work to your class email below.</i> Beaches Guided Reading
	Lesson 2 – Comprehension - Tuesday 12th January Practise your comprehension skills even further by looking at the fossils guided reading questions.	<i>Answer the guided reading questions in full sentences. Email a photograph of your work to your class email below.</i> Fossils Guided Reading
	Lesson 3 – SPAG (expanded noun phrases) - Wednesday 13th January - This week we are going to re-visit expanded noun phrases. https://classroom.thenational.academy/lessons/to-explore-expanded-noun-phrases-6hh36c - Have a go at the expanded noun phrases worksheet.	<i>Watch the video and complete the interactive activities on paper (if needed).</i> <i>Then have a go at the expanded noun phrases worksheet. Email a photograph of your work to your class email below.</i> Expanded noun phrases
	Lesson 4 – SPAG - Thursday 14th January - This week we are also going to re-visit fronted adverbials. https://classroom.thenational.academy/lessons/to-explore-the-functions-of-fronted-adverbials-60u68e - Have a go at the fronted adverbials worksheet.	<i>Watch the video and complete the interactive activities on paper.</i> <i>Then have a go at the fronted adverbials worksheet. Email a photograph of your work to your class email below.</i> Fronted adverbials
	Lesson 5 –SPAG- Friday 15th January Using the SPAG knowledge you have re-visited this week, write two sentences containing a fronted adverbial and an expanded noun phrase. These could be about Mary Anning, fossils, rocks or something you have learnt during your home learning over the last two weeks.	<i>Write two sentences as described in the left hand column.</i> <i>Email a photograph of your work to your class email below or try submitting it as a document on google classroom (see video 4 at the top to remind you).</i>

	Additional Tasks Reading Keep reading your books at home.	<i>Read to a grown up or discuss what you've read with a grown up at home. You could even write a book review of a book you've read recently and email it to us.</i>
Topic - Science	In our two week block, we are learning about different types of rocks on the earth. This links to when we looked at volcanoes and Pompeii as part of our Romans topic. It will also link to our science topic about reversible and irreversible changes. Watch the video with the new learning content. Pause the video at the relevant points and complete the interactive activities as you go along:	
	Lesson 1: Steps in the rock cycle - Monday 11th January https://classroom.thenational.academy/lessons/what-are-the-steps-in-the-rock-cycle-74v6cr	<i>Watch the video and complete the interactive activities on paper.</i>
	Lesson 2 - Tuesday 12th January Design your own rock cycle poster to help you remember what you have learnt about the 3 different types of rock and the rock cycle. Use the resource called rock cycle poster ideas for some examples. Send a picture to us.	<i>Design a poster. Use the following resource to help you.</i> Rock cycle poster ideas <i>Email a photograph of your work to your class email below or try submitting it as a file on google classroom (see video 5 at the top to remind you).</i>
Creativity	Art - Wednesday 13th/Thursday 14th January - Look at the Andy Goldsworthy PowerPoint, fact sheet and art ideas sheet to learn about him and his style of art. - Use the land art challenge cards to see if you can design a picture in the style of Andy Goldsworthy. Send a picture through to us once you have finished.	<i>Design a picture in the style of Andy Goldsworthy. Use the land art challenge cards to help you.</i> - Andy Goldsworthy PowerPoint - Andy Goldsworthy Fact Sheet - Andy Goldsworthy Art Ideas - Land Art Challenge Cards <i>Email a photograph of your work to your class email below or try submitting it as a file on google classroom (see video 5 at the top to remind you).</i>
ICT/SMSC extras	Following on from your ICT work last week, have a further think about the importance of staying safe online. Read a story called <i>Chicken Clicking</i> by Jeanne Willis and Tony Ross. If you haven't got the book, there are free versions you can read/listen to online. Discuss the questions in the resources with an adult. Afterwards, write down five top tips about staying safe online from your work over the last two weeks. Remember it is important to talk to and share with a grown up about what you do online and how you might be feeling.	<i>Discuss the SMSC questions with a grown up.</i> SMSC questions <i>Write down five top tips about staying safe online.</i>
PE extras	Have a go at the <i>Supermovers</i> video to practise your 8 times tables. Try to get moving! https://www.bbc.co.uk/teach/supermovers/ks2-maths-the-8-times-table-with-filbert-fox/z4mrhbk Look out for PE with Joe!	<i>Have a go at the dance.</i> <i>Join in with PE with Joe.</i>

If you have any queries about your home learning, please contact your class teacher.

We look forward to seeing your work.
