@

Chuter Ede Primary School

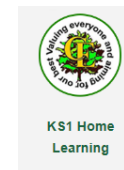

Year 2

During these difficult unprecedented times we will do our best to continue supporting your child's learning. We understand that every family will have their own set of challenges and our aim is to support you in anyway possible. Therefore we will try to offer many different ideas for your child's learning that you can pick and choose from to suit your circumstances and child.

The first place to visit will be the school website.

www.chuterede.com

When you get there if you head to the **Children** tab and then **Class Pages**, you will find the **KS1 Home Learning** page.

We will keep this updated with ideas, learning tasks and links to useful websites. If you have any questions about what something means, activities or to share work with us please email us

using the email address below.

year2hl@chuterede.notts.sch.uk

Reading

Read as much as you can of your school book and books at home. You could do some of the activities from the front of your journal too. You can continue to record reading in your reading journals. Reading Rock-stars will be reviewed when necessary.

Other useful links you might like to look at

<https://www.phonicsplay.co.uk/> - for phonics practice and games

<https://www.oxfordowl.co.uk/for-home/> - book banded ebooks

Maths

We've put a maths gym powerpoint on the **Home Learning** page of the website which you may like to have a go at and then come up with some of your own! We will update these regularly. Carry on with TT rock-stars. Practice telling the time and measuring, a bit like your homework the last few weeks. You could play shops – adding up amounts and giving change. Counting in 2s, 5s, 10s – you could even use money for practicing this. We have also sent you a maths activity pack home to have a go at. Again pick and choose what you would like to do.

Spellings

Keep practicing the Year 1 and 2 Common Exception Words. These should be in your reading journals but we'll also put them on the **Home Learning** page too.

30 Day LEGO Challenge

Follow the instructions for each day. The only rule is to have fun and use your imagination!

Day 5 You enter a contest to build the world's tallest tower. Will you win?	Day 6 You are stuck on Mars and need to build a new ship to get home.	Day 7 Ford hires you to create the toughest pick up truck in the world.	Day 8 You and 4 friends are stranded on an island. Build a boat to find a way home.	Day 9 Captain Hook needs a new pirate ship and wants you to build it.	Day 10 You and your friends decide to build a tree house.	Day 11 Prince Charming hires you to build a castle for him & Cinderella.	Day 12 Dr. Who hires you to build a new TARDIS.	Day 13 You are asked by the President to build a new monument to George Washington.	Day 14 Mr. Hilton hires you to build a new hotel.	Day 15 There is a circus in town. Build a place for the performance.	Day 16 Help your fellow pioneers build a wagon to make it across the country.	Day 17 Build the fastest car around and join the big car race.	Day 18 Do you wanna build a snowman? Get in the winter mood and build a snow scene.	Day 19 The city wants you to build a bridge to connect one side of the town to the other.	Day 20 Pizza party! It is up to you to make a pizza for all the guests.	Day 21 You are hired to build a brand new hospital.	Day 22 The fence is broke and the dog keeps escaping. Build one he can't get out of.	Day 23 You are now in medieval times. You are commissioned to build a jousting arena.	Day 24 The local bank keeps getting robbed. Build a safe no one can crack.	Day 25 Design and build your dream bedroom.	Day 26 You are elected ruler. Build a flag for your land.	Day 27 Aliens are invading and you need to build a war robot to defeat them.	Day 28 The aliens have taken over. They are impressed by your robot. They want you build one for them.	Day 29 You are hired to build a house entirely out of yellow Legos.	Day 30 There is blizzard. You will need to build a snowmobile.	What was your favorite day?

Fun things to do indoors

- Build a den using blankets
- Play with bubbles and warm water in the sink or bath
- Play hide and seek
- Create a treasure hunt
- Write a story or diary
- Create a village using construction toys or recycling
- Bake
- Design and make your own bookmark
- Build a boat that floats
- Play board games
- Video yourself reading a story and send it to a family member/friend/teacher
- Make potions
- Make a family time capsule
- Check out Cosmic Kids yoga on youtube
- Do a jigsaw puzzle
- Put on a puppet/soft toy show
- Write a letter to someone special
- Make a paper aeroplane
- Have an indoor disco/make up a dance routine
- Make your own shop
- Research something that interests you e.g. an animal, a country, a sport.
- Play I spy or I went to the shop...memory/verbal games.
- Make a joke book
- Do a garden bird watch and note them down.
- Experiment with cornflour at water

Topic – SPACE!

Here are some ideas you could do...pick and choose what interests you.

- ⇒ Manual for an astronaut – there are lots of lovely videos on youtube for how astronauts do daily jobs i.e. sleep, eat, keep clean. See the class page for links.
- ⇒ Research Peggy Whitson and present your findings however you like. Maybe you could make a poster, a powerpoint or a video.
- ⇒ Do further research on the moon landings and Neil Armstrong. Again, be creative with presenting.
- ⇒ Make the most of the extra time to do your homework project.
- ⇒ Listen to 'The Planets' by Holst. What does it make you think of? Could you draw a picture to go with the music?

20 things to do before you leave year 2!

Plant some seeds and help them to grow.
What do they need?

Make a pop-up Easter card!
Can you remember about levers and sliders?

Paint a self-portrait.

Make up a dance that links at least three moves.

Make something inspired by Vincent van Gogh's painting 'Sunflowers'.

Have a family debate!

Explore the Jewish festival of Sukkot

Build a bridge! How many toys can you balance on it? Can you make it stronger?

LEARN TO COUNT IN THREES.

Make a box-model car. Can you make wheels that work?

Ball challenge- Learn to catch with one hand!

Make a map of your house and garden. Can you use a 'bird's eye view'?

find out more about Peggy Whitson...

Listen to Gustav Holst's music. Especially 'The Planets'. Draw pictures as you listen.

Go and sketch a tree or a plant. Use shading.

Choose a country that's very different from ours and make a poster about it.

Balance challenge! How long can you...
...stand on one leg?
...hold plank position?
...hold 'boat pose'?

Make a time-line linked to space-exploration.

Make up a play based on your favourite book.

BUG HUNT!
How many different creatures can you find in your garden? Make a list.

Colour in an activity when you have completed it. They are all linked to the Year 2 curriculum.

How many can you complete in the next few weeks?

Email us pictures of what you have been doing!

Don't forget your Chuter Ede SMILE! Which letter describes your activity today?
