| Term: Summer                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Year: 2 |                                                                                     |
| <p>Writing:</p> <p>Composition, Spelling, Punctuation:</p> <p>Reviewing all of the year 2 objectives with the children (see Year 2 Writing Targets sheet). Reminding them what makes a good year two writer. Reminding them to include everything they can to 'show off' their best writing.</p> <p>Watch 'La Luna' as many times as needed for the child to feel comfortable with verbally re-telling the story <a href="https://www.youtube.com/watch?v=IOOVn8UT2bQ">https://www.youtube.com/watch?v=IOOVn8UT2bQ</a></p> |         |  |

| Input                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                | Task                                                                                                                                                                                                 | Review                                |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|
| <p>Planning to Retell 'La Luna'</p> <p><a href="https://www.youtube.com/watch?v=IOOVn8UT2bQ">https://www.youtube.com/watch?v=IOOVn8UT2bQ</a></p> <p>Watch 'La Luna'. Hopefully, if they have watched enough times they will be familiar with the story and ready to vocalise it. Tell the children we are going to tell the story along with the animation. Pause the video at interesting points, where you can verbally model using suffix words, openers, etc. Ask the children about the ones they have learned at school.</p> <p>Display and use the openers sheets and suffix word list</p> <p>CAREFUL WITH TENSE- Make sure we are using <b>past</b> tense when describing all the time or they'll get caught in 'The boy goes up the ladder, the boy gets to the moon'</p> <p>Scribe some of this or create an 'ideas board' for the children to use in their planning stage.</p> <p>Model and encourage interesting descriptions and similes. Model describing how the characters are feeling</p> <p>Aim- to use words to make our stories as magical as the animation.</p> | <p>Children to use La Luna Story Mountain planning sheet to plan what they want to write— adding openers, suffixes, similes, descriptions etc to the boxes connected to each stage of the story.</p> | <p>Explain your ideas to a friend</p> |
| <p>Re-telling La Luna</p> <p>Remind the children of the year 2 writing targets. What is their personal target? Remind the children of good openers sheets and their plans/ideas from the previous lesson. Remind them to be CAREFUL WITH TENSE- 'WENT' NOT 'GOES'!!!</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | <p>Write the story using planning sheet from yesterday.</p> <p>Home learning- Perhaps just write a section of the story mountain a day.</p>                                                          | <p>Purple pen editing time.</p>       |
