

1.

Making Fruit Salad

Before you start preparing food, you must first remember to wash your hands thoroughly.

2.

Making Fruit Salad

chopping board

mixing bowl

spoon

orange juice

different fruits

knife

After washing your hands, gather together all the items you need to make your fruit salad.

3.

Making Fruit Salad

Next, wash the fruit carefully under cold water to remove any dirt.

4.

Making Fruit Salad

After the fruit has been washed, remove any unwanted peel.

5.

Making Fruit Salad

Then, using a sharp knife, carefully chop the fruit into chunks or slices.

6.

Making Fruit Salad

When the fruit has all been chopped, place it in a mixing bowl and add some orange juice.

7.

Making Fruit Salad

Once the orange juice has been added, use the spoon to mix the ingredients together.

8.

Making Fruit Salad

Finally, spoon the finished fruit salad into bowls so it is ready to serve.
