

Roar!

Stomp! Stomp! Went the feet,
Of the dinosaurs to the jungle's beat.

Crunch! Crunch! Went the jaws,
Of the many hungry dinosaurs.

Screech! Screech! Came the sound,
Of pterosaurs above the ground.

Bang! Bang! A dinosaur fight;
Breaking rocks with all their might.

Crash! Boom! You could hear,
Volcanoes bursting far and near.

Scratch! Scratch! Went the claws,
Of tiny baby dinosaur paws.

Roar! Roar! They make you shake,
Just like a loud and frightening quake.

Questions

1. Which word in the poem rhymes with 'here'?

2. Draw lines to match the sound with what made the noise. The first one has been done for you.

screech	•	the dinosaur's jaws
