

Write an acrostic poem about FRIENDS.....(don't worry—these don't have to rhyme!) *	Take a selfie of your funny face to make your friends (and us) smile!...	Write and tell us what have YOU been doing to stay in touch with your friends or your family during Lockdown. *
You be Hedgehog. Write an invitation to Tortoise and tell him where you will go for your first day out again together. Where will you think of that you love to go? *	Remember Moving Pages? Can you make sliders to bring Hedgehog and Tortoise back together ready for the day they can HUG again? Can anything else move on the page? *	While you've been apart from your friends....your friends have missed you!! Write some of the things that make you a special friend.... " I am a special friend because....." *
Making our friends laugh is fun! Write and email some of your favourite jokes.....we could share some on the webpage.	Have you got a favourite song you'd like to sing and share?.....or maybe you could play us a tune with some instruments at home. Music makes us all feel happy!	We are great dancers in Year 2! Can you make up a 3-5 move dance that you and your friends can do together to greet each other 2m apart? You can send your films to us! We can learn your dance!
What do you think Hedgehog is like as a character? Is he outgoing or shy? What does he like/ dislike? YOU decideLet's meet Hedgehog. *	Let's draw and paint..... Can you try to copy the illustrations of Hedgehog and Tortoise? *	What do you think Tortoise is like as a character? Is he clumsy or careful? Is he a sportsman or an artist? YOU decideLet's meet Tortoise. *
