

Guess My Number

Play with a partner.

Can you make up your own problem for your partner to solve?

Example: *My number is less than 25. The ones digit is double the tens digit. The digits add up to an even number. What is my number?*

1	2	3	4	5	6
7	8	9	10	11	12
13	14	15	16	17	18
19	20	21	22	23	24
25	26	27	28	29	30
31	32	33	34	35	36

If you find the correct answer, cover it with your counter.
