

Music

Impact

Our curriculum impact empowers our pupils to be aware of future careers, spark interest in continued learning and fulfil their potential to be the best that they can be.

- Musical progress will see pupils engaged and inspired to develop a love of music and their talent as musicians, and so increase their self-confidence, creativity and sense of achievement.
- Pupils progress, they will develop a more critical engagement with music, allowing them to compose, and to listen with discrimination using musical vocabulary.
- Children regularly want to take part in musical activities offered and musical performances and compositions produced are of a high quality.
