Impact

Our curriculum impact empowers our pupils to be aware of future careers, spark interest in continued learning and fulfil their potential to be the best that they can be.

- The children at Chuter Ede will express and communicate ideas and insights about the nature, significance and impact of religions and world views.
- Children can use technical vocabulary, are confident to express opinions and can evaluate their own work
- Children build skills using a range of media and are reflective about their own learning and progress
- The work that is produced is of a high quality.
