

RE

Implementation

At Chuter Ede, we ensure our curriculum areas are delivered through our SMILE approach.

Children are aware of the elements of SMILE that are incorporated into a lesson to support their learning

The Agreed Syllabus for RE in Nottingham City and Nottinghamshire in tandem with the subject leader and teaching staff develop and expand children's knowledge and understanding of religions and worldviews.

EYFS

Pupils in the Early Years Foundation Stage should encounter religions and worldviews through special people, books, times, places and objects and by visiting places of worship. They should listen to and talk about stories. Pupils can be introduced to subject specific words and use all their senses to explore beliefs, practices and forms of expression. They ask questions and reflect on their own feelings and experiences. They use their imagination and curiosity to develop their appreciation of and wonder at the world in which they live.

KS1

The Focus of RE for KS1 enables children to develop their knowledge and understanding of religions and worldviews. They find out about simple examples of religion that are drawn from local, national and global contexts. They should use basic subject specific vocabulary. They should raise questions and begin to express their own views in response to the material they learn about and in response to questions about their ideas.

KS2

The Focus of RE for KS2 enables pupils to extend their knowledge and understanding of religions and worldviews, recognising their local, national and global contexts. They should be introduced to an extended range of sources and subject specific vocabulary. They should be encouraged to be curious and to ask increasingly challenging questions about religion, belief, values and human life. Pupils should learn to express their own ideas thoughtfully and creatively in response to the material they engage with, identifying relevant information, selecting examples and giving reasons to support their ideas and views.

"Valuing everyone and aiming for our best"
