PE

Impact

Our curriculum impact empowers our pupils to be aware of future careers, spark interest in continued learning and fulfil their potential to be the best that they can be.

- The children at Chuter Ede can use technical vocabulary, are confident to express opinions and can evaluate the effect of their sporting skills.

- Children have a positive image of being active and enjoy being active during the school day, in after school clubs and at home.

"Valuing everyone and aiming for our best"
