

English – Phonics

Impact

Our curriculum impact empowers our pupils to be aware of future careers, spark interest in continued learning and fulfil their potential to be the best that they can be.

- Children will make progress through the different phases of phonics in line with Year Group expectations and make progress from their own individual starting points.
- Children will become confident and resilient in tackling unfamiliar words by applying learnt knowledge and skills to segment, blend and read words which are real and nonsense.
- Children will demonstrate high levels of engagement in phonics and will apply their phonological knowledge when reading and writing and use the working walls to assist them when needed but become increasingly independent in this process.
- Children will have an increased recognition of tricky words and high frequency words when reading and apply these when writing.
- Children with SEND will develop phonic skills and knowledge and they will develop their ability to apply this across the curriculum which will help to prepare them for the next stage in their education.

“Valuing everyone and aiming for our best”
