

English – Writing

Impact

Our curriculum impact empowers our pupils to be aware of future careers, spark interest in continued learning and fulfil their potential to be the best that they can be.

- The impact on our children is that they have the knowledge and skills to be able to write successfully for a purpose and audience.
- With the implementation of the writing sequence being established and taught in both key stages, children are becoming more confident writers and have the ability to plan, draft and edit their own work.
- By the end of key stage 2, children have developed as writers, produce sustained writing and can manipulate language, grammar and punctuation to create effect.
- As all aspects of English are an integral part of the curriculum, cross curricular writing standards have also improved and skills taught in the English lesson are transferred into other subjects; this shows consolidation of skills and a deeper understanding of how and when to use specific language, grammar and punctuation.
