

Swimming review Summer 2017

Y4 swimmers

- Records show that there were 4 children who did not achieve their 25m distance badge (CE, XD, TR and JL). XD moved school in Summer 2017.
- These children are all boys.
- These children are moving into Y5 for September 2017, so we will look into opportunities for these 3 children to have some extra swimming sessions if possible.

Y3 swimmers

- The year 3 cohort will have another 3 half terms of swimming when they are in Y4.

Swimming Review 2016/17

- 1 child left Chuter Ede (Y6 cohort) to move onto secondary school without achieving their 25m distance badge.
- The changes implemented in 2015/16 into the way we swim have continued to show great improvements on the distances and skills that the children are achieving.
- Y3 children swimming for 45minutes each week from Feb half term to the following Feb half term (when they are in Y4) enables children to gain water confidence, safety and develop their skills further due to the length of time that they are swimming for and it becoming a 'norm' to them.
- We are looking at reducing our swimming costs for 2017-18 by utilising the 1st swimming session to having up to 60 children (the same as the 2nd swimming session).
