

Thursday, 05 October 2023

Dear Parents and carers,

We have some exciting news for you! As you may know from the children, we have been using Class Dojo with them to help track their behaviour in the classrooms. However, Class Dojo is so much more, and we will be sharing it with you as parents and carers soon. This will become our main communication tool. It will allow for:

- Whole school and class stories (similar to a Facebook feed)
- 1:1 secure communication with the adults associated with your child's class.
- A whole school calendar so you can see events in advance.
- An area for the children where they can customise their monster

Dojo is free. When you register there is an option to subscribe to their premium package, but you DO NOT need to do this.

We will send you an email invite before half term to join the class (it may go to your junk folder). You can use this to register, download the app or log into the website if you prefer. Please make sure your child's teacher has an up to date email for you. We will start using DOJO straight after half term for all of our communication.

When you have registered you will have the ability to give dojo points but we ask that you do not do this as it skews the points given in school.

Kind regards

Mr Head
