

February 12th 2021

Dear Parents and Carers,

I can't quite believe we have reached the end of this half-term, yet again another challenging one. I have previously expressed my respect and understanding to those of you at home accessing the remote and blended learning and want to reiterate my appreciation of how very demanding this must have been for you. I sincerely hope that March 8th marks the return of ALL children to Chuter Ede- we shall have to wait and see what Boris says!

I am delighted to say that we have had a safe half-term with no new Covid cases amongst the school community. Can I ask that if your child has been in school today or yesterday (Thursday 11th & Friday 12th February) and they develop Covid symptoms over the weekend, that you please inform me on head@chuterede.notts.sch.uk asap as this may impact on the bubbles of staff and children in school.

School re-opens again for vulnerable children and children of Critical Workers on Monday 22nd February.

Hopefully when we come back, we can start planning the full return of all children and we shall of course let you know details regarding the practical arrangements of this as soon as we can.

All that remains to say is that I do hope you are able to have a relaxing break this half-term. I intend to spend time with my own children, read, watch a good box set, take the dog out on long walks and switch off- and that means switch off from a screen as well as mentally! I think we all deserve that!

Thank you, as ever, for your continued support and kindness.

Warm regards,

Bernadette Hunter

Headteacher
