

January 4th 2021

Dear Parents and Carers,

I'm sure you've just seen the news- I was expecting a lockdown but not quite so quickly!

Your child's classteachers will be in touch tomorrow to direct you to the Home learning packages we have in place. At first this will be similar to the previous home learning packages available on the website during the last lockdown. However, today we have received training on a new and exciting learning platform- Google Classroom- and all teachers hope to have this up and running as soon as possible. They will be able to guide you through this and tell you more.

In terms of Keyworker provision, myself, Mrs Revill and the admin team will be in school tomorrow so that we can carefully plan provision and review any updated criteria for this.

Please call the school offices or contact myself or Mrs Revill directly on our e-mail if you require provision from Wednesday 6th January. This will give us time to make decisions regarding staffing, bubbles and the use of both or one site.

If you URGENTLY require key worker provision TOMORROW- Tuesday 5th January- because you and your partner are Keyworkers or you are a single parent keyworker and you are scheduled to work tomorrow, then please let me know as soon as possible.

head@chuterede.notts.sch.uk

Many thanks in anticipation of support on this matter.

Warm regards,

Bernadette Hunter
