

Spotlight Assembly  
Spring Term 2014  
Week ending: 25.4.14

| <b><u>Nominee</u></b> | <b><u>Nominated for...</u></b>                                                                        |
|-----------------------|-------------------------------------------------------------------------------------------------------|
| Tristan               | being a great advisor and actor!                                                                      |
| Isobel                | good real-life problem solving when the water tray was damaged!                                       |
| Alice                 | doing a great mini-beast hunt.                                                                        |
| Sienna-Jai            | lovely RE art work.                                                                                   |
| Scarlett              | lovely reading.                                                                                       |
| George                | excellent effort and progress in reading.                                                             |
| Kian                  | being so entertaining during the Year 3 plant presentation.                                           |
| Daniel                | being excellent at the plant presentation, speaking clearly and confidently and behaving brilliantly. |
| Hope                  | having a sensible and mature attitude.                                                                |
| Evie                  | being sensible and mature in class, and being helpful and kind.                                       |
| Luke                  | real improvement in his reading and great concentration.                                              |
| Alice                 | a careful, detailed drawing of some fruit.                                                            |
| Alfie                 | making great contributions in guided reading.                                                         |
| Elliot                | making great progress in maths this year.                                                             |
