 I am safe.	I stay on the computer for a sensible amount of time.							
	I keep my password and personal information private.							
	I can select a secure password.							
	I know the rules for keeping safe on the Internet.							
	I always tell an adult about the things I do on the Internet and know what to do if I am concerned about something that happens online or on a mobile phone.							
	I make good choices about the games I play on the Internet and through different devices.							
	I am sensible about the time I spend playing games on the Internet and through different devices.							
	I ask a trusted adult before I download files and games from the Internet.							
 I am kind and responsible.	I know that anything I put on the Internet can be seen and used by others.							
	I know how I can communicate safely with others on the Internet and use age appropriate websites to do this.							
	I am kind and responsible when I put something on the Internet or in a text.							
	I know that some information on the Internet is not accurate. I must think carefully before I rely on it.							
 I think carefully.	I know that websites use different ways to persuade me to buy things or to like things.							
 It's not mine.	I know I must check who it belongs to before I copy images or text.							
	I respect what other people present on the Internet.							
	I ask my friends before I use things they have created in their work.
