	My skills	Date	Date	Date	Date	Date	Date	Parent comment
 I am safe.	I stay on the computer for a sensible amount of time and make good choices about other things to do							
	I keep my password and personal information private							
	I can select a secure password							
	I know what is good use and bad use of the Internet and when I'm using it too much							
	I can tell you about the risks and rewards of using the Internet							
	I know how I can protect myself on the Internet and recognise potential virus threats							
	I know I have a right to be safe and happy online. I know that I have a responsibility to report anything that upsets me							
	I make sure a trusted adult is aware of the kinds of things I do on the Internet							
 I am kind and responsible.	I know that anything I put on the Internet can be seen and used by others							
	I make good choices when I present myself on the Internet							
	I can choose appropriate tools to communicate with others on the Internet							
	The way I use the Internet demonstrates that I respect other people that I share it with							
 I think carefully.	I consider my responsibility for the information I share, and the impact it may have on others							
	I know that a website has an author who is targeting an audience							
	I know that some people publish inaccurate information on the Internet.							
	I check information that I find on the Internet							
	I think about the way some people present information on the Internet and know why they may present unreliable information							
	I know that using unreliable information will misinform other people							
 It's not mine.	I know which resources on the Internet I can download and use							
	I always acknowledge the source of materials I use in my work							
	I ask my friends before I use things they have created in their work
